Svetoslav (*Svet*) Izvarin was born in Bulgaria where, long before coming to Canada, he established himself as a serious talent, studying at his country's National Conservatory. He has also studied at Concordia in the Music Department's *Performance* programme. As tonight's concert shows, he is an accomplished pianist destined for a distinguished career. He is currently preparing for a major international competition in New York in February 2000. A part of this concert's proceeds will go to assist him in that endeavour.
